

Frequently Asked Questions

Do you have a question about the Rozelle Interchange's Heritage Salvage Distribution process?
Please review our FAQs below.

If your question still has not been answered, we invite you to email us at salvage@rozelleinterchange.com.au.

How will JHCPB decide who receives each heritage item in the catalogue?

Items will be distributed on a preferential basis in accordance with the below categories:

1. First preference will be given to property owners and residents who own or reside in a property in the Project's catchment area (see blue area in map across);
2. Second preference will be given to any other interested parties.

For multiple Expressions of Interest within the same category, a lottery system will be undertaken to allocate the items to a lot winner. The lottery will be run internally by the Rozelle Interchange Project, and the results will be considered final.

Can I inspect the item/s in person before submitting an Expression of Interest?

Unfortunately, to protect the health and safety of staff and community members amid the COVID-19 outbreak, items cannot be inspected prior to submitting an Expression of Interest. Pictures of individual items can be viewed in the Heritage Catalogue available at rozelleinterchange.com.au/salvage. Lot winners will be invited to collect their items from a designated collection point once the draw is complete.

Where will the successful lot winners pick up the item/s from?

Lot winners will be invited to collect their item/s from our designated collection point in Homebush.

Can I enter an Expression of Interest for more than one item?

Yes, you are welcome to enter an Expression of Interest for as many items as you like.

How will lot winners collect their item/s?

All lot winners will be required to collect their item/s from the collection point in Homebush during collection times in early December. Please note that lot winners will be required to lift and transport the item/s that they collect without JHCPB's assistance.

Will JHCPB provide a Certificate of Authenticity for the item/s?

Prior to being salvaged, the items were catalogued by specialised heritage consultants engaged by JHCPB. However, JHCPB is unable to provide a Certificate of Authenticity for the items. You should rely on your own enquiries as to the heritage status of the items.
